registers for the following class: _____.

The head office of the Vienna Conservatory accepts this registration (this registration is invalid if the aptitude test or the qualifying examination for the above mentioned field of study has been failed). The classification for the academic year results from the passed aptitude test or qualifying examination. Certificates and preliminary studies of other conservatories are accepted and taken into account.

The contracting parties agree upon the following conditions:

The studies take place according to the curriculums and teaching units which have been defined by the organisational statutes of the Vienna Conservatory including all necessary additional subjects. The admission is basically for the whole academic year. An early termination of the academic year is not possible due to the study laws, the tuition fees have to be paid in any case for the whole year.

The monthly tuition fees are € _____ and have to be paid by the fifth of each month. In case the studies do not start in the first week of the month, the first monthly fees have to be paid only on a pro-rata basis.

If a teacher is prevented for any reason, the head office is authorised to supply a substitute. If more than one teaching unit is cancelled without any compensation the tuition fees are refunded on a pro-rata basis. If a student is prevented for any reason, he/she is not entitled to any refund. The classes do not take place during the school holidays which has no impact on the tuition fees whatsoever.

Any changes or additions to this contract are only valid if brought up in written form.

Any person-based terms used in this contract apply also to the female form.

Vienna,
